

Penyrheol Comprehensive School

Advice for Exams:

Read each question carefully.

Match the number of marks with the number of points you need to make.

Follow command words like, describe, explain, compare.

Use a pencil for graphs. Make sure you label axis (include units).

On the QWC question, make sure of your capitals and full stops. Don't write one long sentence.

Subject:

Applied Science - Green

Key Dates:

Unit 3 exam on Tuesday 14th May

Suggested revision tools/strategies:

Quizlet (join BenneyD7's WJEC class), Spacing Grids, Revision Questions.

Self-quizzing from Booklets, Self-assess on the Revision Lists.
