19th September 2018

Dear Parent / Guardian

Estyn Inspection

We were informed on Monday 17th September that we will be inspected as part of the Estyn cycle of school inspections during the week beginning 8th October 2018. The inspection will last from about midday on Monday 8th October until about 5 p.m. on Thursday 11th October. The school was last inspected in September 2013.

On the back of this letter there is information about school inspections from Estyn.

There are two ways that you can contribute to the inspection by giving your opinion about the education being provided by Penyrheol Comprehensive School.

Firstly, you can complete an online parent questionnaire, which can be accessed by putting this address into your web browser:
<https://vir.estyn.gov.uk/questionnaires/pages/ParentLogin.aspx?lang=en-GB&qid=11384>

We will be emailing out this letter as well, where possible, so that you can simply click on the link above to access the questionnaire.

If you require a hard copy of the questionnaire instead, please contact us immediately for this as it must be returned by 24th September. The online version will be available until 27th September. All responses are confidential.

Secondly, members of the inspection team will be holding a parents' meeting from 5.00 p.m. – 6.00 p.m. on Monday 8th October in the school canteen to discuss the education provided by Penyrheol Comprehensive School. You are very welcome to attend. If you are a parent of a Year 7 pupil, please note that this event clashes with an important Parents' Evening with Form Tutors, so we have postponed the Parents' Evening until Monday 15th October.

Yours faithfully
